Abuse can be physical, sexual, emotional or financial which takes place within an intimate or family relationship. Abuse can include neglect, controlling behaviour, and honour based violence.

If you are being abused, remember you are not alone. We can help you by providing advice and support with:

- Improving your safety
- Housing and homelessness
- Finances and welfare benefits
- Access to legal services
- Parenting and children
- Emotional support including specialist counselling for all genders, group work, and children and young persons art therapy

We provide individual support over the phone and in person. We also run workshops to raise awareness about domestic and sexual abuse for Irish and Irish Traveller women and young people.
